Providence Healthcare Network achieves record giving

Thanks to the leadership of Loaned Executive Heather Beck and VP of Development and Executive Director of Providence Foundation David Guyer, Providence Healthcare Network employees gave a record total of \$14,978.08 to help people here! Guyer credits the generosity of Providence employees for their 47% increase in giving over last year.

"I am very gratified by the faithful out pouring of generosity from our Providence employees," said Guyer. "This record amount of giving, in spite of a downturn in our economy, proves in quantifiable terms that Providence employees live out Providence's mission which states in part, 'We are advocates for a compassionate and just society through our actions and our words.'"

Providence employees address the health needs of our community on a daily basis and it is truly outstanding that so many of the employees give above and beyond to United Way. Providence has maintained a long partnership with United Way for which we are extremely grateful.

"The United Way plays an important role in enhancing the quality of life in our community and our employees have determined that the United Way merits their personal support."

Special thanks to David Guyer, Heather Beck and all of the caring employees at Providence.

Homer's Corner

I recently read an article in *Life Science* magazine regarding the five things that research has shown to improve happiness:

Be Grateful

Be Optimistic

Count your blessings

Use your strengths

Commit acts of kindness

It turns out helping others also helps ourselves. People who donate time or money to charity, or who altruistically assist people in need, report improvements in their own happiness.

Thank You Loaned Executives!!!

Mark your calendars and join us for the 2010 Loaned Executive Appreciation Luncheon on Tuesday March 9 from 11:30am to 1:00pm. The location will be The Salvation Army at 1225 I-35 South and you can reserve your space by calling Keith Richardson at 254.752.2753 before March 8.
