

RESOURCE DEVELOPMENT

This month our LEs learned about ALICE data and the ways that it helps to inform our community work. ALICE stands for Asset Limited, Income Constrained, Employed and represents a large swath of people in communities. Learn more in this article!

COMMUNITY

The holiday season is one of giving and often we remember the hours spent giving of our time more than the gifts received as the years go by. Truly the most wonderful time of the year as joy fills the air!

Board Member Spotlight

Edward Love

www.wacoisd.org

Tell us about yourself and how you became a United Way Board Member

I have served as a Waco ISD Educator for the past 41 years. My roles in this district consist of Teacher/Coach, Assistant Principal, Associate Principal, Principal, Executive Director of Secondary Education, and Director of Athletics. I attended a community breakfast hosted by United Way a few years ago. I had no idea the amount of support that was given to the Waco community by United Way. Seeing the support given encouraged me to want to do more to help serve the community. I gave my card to a United Way presenter after the event.

Her name was Tiffani. A few days later, I received a call.

Why do you love United Way?

I love the fact that United Way helps so many families and organizations in the community that truly need the additional support.

What is a favorite holiday memory spent giving back to your community?

“The Feast in the East”- I enjoy helping to serve a holiday meal to families in our community!
